

Vendor Close Communications

[Link to FAQ PDF](#)

We are excited to share that we successfully completed the sale of Sleep Number to Sleep Country Canada on July 31, 2026. Together we have an opportunity to build a leading mattress and bedding company serving customers across North America.

While this is an important milestone, the court-supervised process as it relates to Sleep Number Corporation's voluntary Chapter 11 filing and pre-petition claims is still ongoing.

You are an important partner to us, and we are committed to keeping you updated as the process continues. You can expect to hear from us in the next 60 days regarding any changes that may impact you. In the meantime, you will find a FAQ attached to help answer any immediate questions you may have.

We continue to operate as usual, and we intend to pay vendors and suppliers in full under normal terms for goods and services provided on or after the filing date of June 12.

We appreciate your partnership and cooperation as we continue to help our customers achieve their best sleep.

Thank you,
Eric Turkowski
